Hoe Lon has over two decades of experience in trading and investing in financial markets across Singapore, London, and Hong Kong. He started his career with financial institutions including Deutsche Bank, JP Morgan, ABN Amro, and Goldman Sachs. In 2011, Hoe Lon joined Tudor Investment Corporation as a global macro portfolio manager focusing on Asian markets. Over his five-year tenure at Tudor, he managed more than US\$500 million of assets, and was subsequently appointed the CEO of the Singapore branch.

At aged 40, Hoe Lon explored new horizons and dived into the tech world of discoveries and start-ups. He spent two years in the National University of Singapore and founded, invested in, and advised start-ups in AI and blockchain. He also wrote the study guide for The Institute of Banking & Finance, and published a book titled *Decrypted - A Financial Trader’s Take on Cryptocurrency*.

Hoe Lon graduated with an Accounting Degree from the University of Warwick, UK and has been a CFA Chartered Holder since 2001. He is a recognised champion of gender equality, having won the “MARC” (Men Advocating Real Change) award at Standard Chartered in 2019. Hoe Lon continues to be a vocal proponent of positive changes in the workplace. He also regularly gives back to the communities, from shaving his head with his family in support of the Hair for Hope campaign to organising tree-planting activities with NParks. He currently chairs the Financial Markets Association of Singapore Charity, which has raised over S\$1 million over the last two years.

Hoe Lon enjoys spending his spare time with his mom, his wife and their three children.

**Cynthia Liaw**

Head of Virtual Banking & Payments  
**Maybank Singapore**

	<p>Ms Cynthia Liaw is the Head of Virtual Banking and Payments at Maybank Singapore since 1 March 2018. In her current role, she spearheads and drives the digital payments and virtual banking business for the bank.</p> <p>Prior to this, Cynthia was the CEO of Maybank Cambodia from March 2015.
